Instrument families

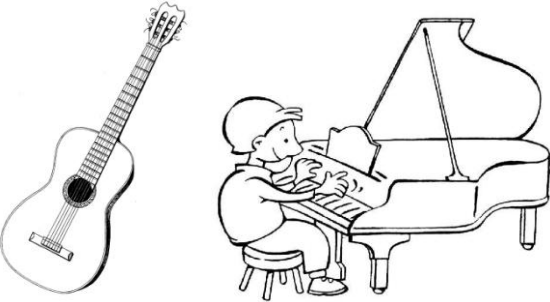

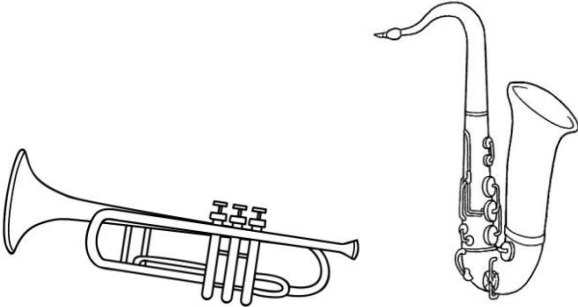

There are *three types* of musical *instrument families*

String family: all of them have strings.

Wind family: you have to blow to make them sound.

Percussion family: you have to knock, shake or scratch them.

Lets see some examples:

<u>String</u>	<u>Wind</u>	<u>Percussion</u>
 <p data-bbox="226 1299 322 1331">Guitar</p> <p data-bbox="539 1299 629 1331">Piano</p>	 <p data-bbox="907 1291 1032 1331">Trumpet</p> <p data-bbox="1220 1291 1384 1331">Saxophone</p>	 <p data-bbox="1574 1303 1675 1335">shaker</p> <p data-bbox="1843 1303 1928 1335">drum</p>

Listen and complete

Escribe al lado de cada instrumento su familia y después escucha y ordénalos según suenen.

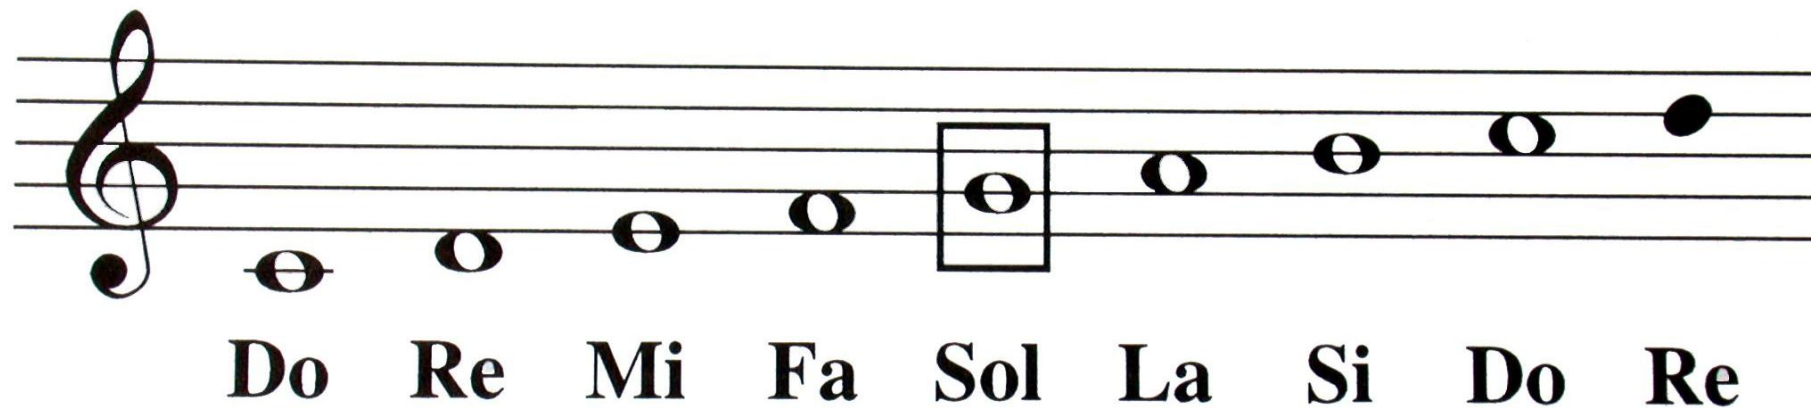

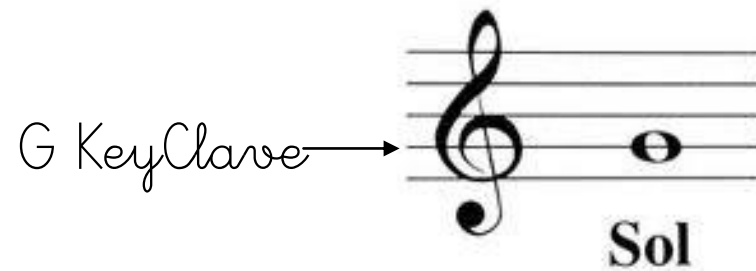

The staff

Remember that G Key indicates that **the second line is called SOL**

Write the name of each note under it.

A

B

C

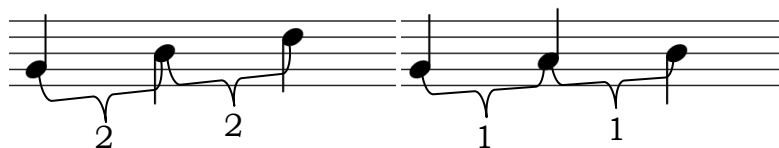

D

Melodic lines

Melodic lines are the imaginary line that you could see matching the note heads

In the example you can see how the sound goes up from the first to the second note, and also from the second to the third, but moreover you have to pay attention in how many it moves.

Now listen to the different melodic lines and number them in the correct order.
