Instrument families

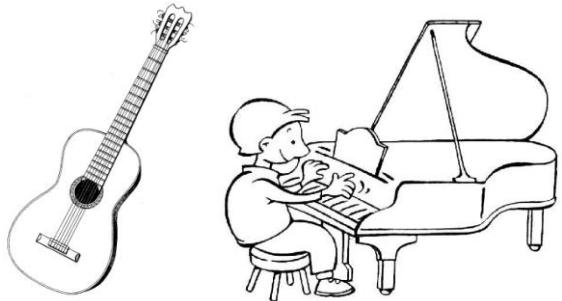

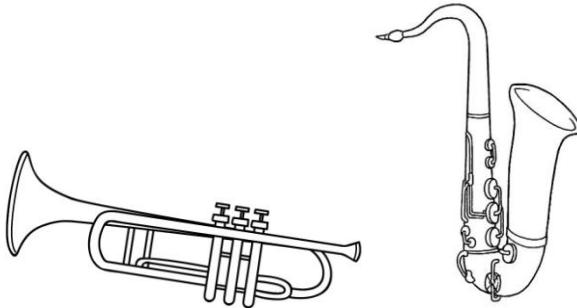

There are *three types* of musical instrument families

String family: all of them have strings.

Wind family: you have to blow to make them sound.

Percussion family: any instrument that can be knocked, shaken or scratched.

Lets see some examples:

<u>String</u>	<u>Wind</u>	<u>Percussion</u>
 Guitar Piano	 Trumpet Saxophone	 shaker drum

Match each instrument with its family.

drumset

Saxophone

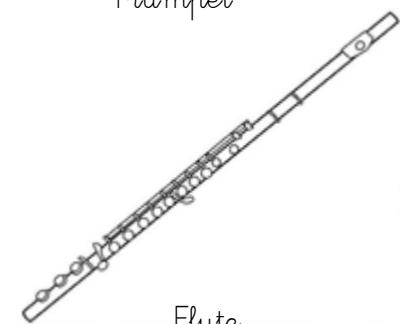

Guitar

Wind

Trumpet

Flute

String

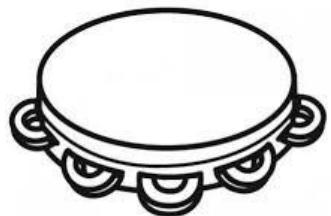

Violin

percussion

Match each instrument with its family.

Tambourine

Harp

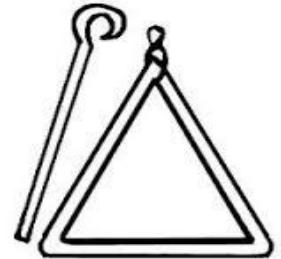

Bongós

String

Trombone

Triangle

percussion

Wind

Recorder

The tempo musical

The tempo is the speed of the music.

The same music can be played faster or slower..

There are three italian words to indicate the tempo (speed):

Allegro: _____

Andante: _____

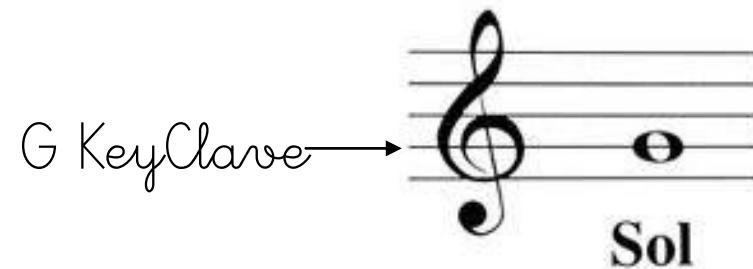

Adagio: _____

Listen to the next musical pieces and guess its tempos.

The staff

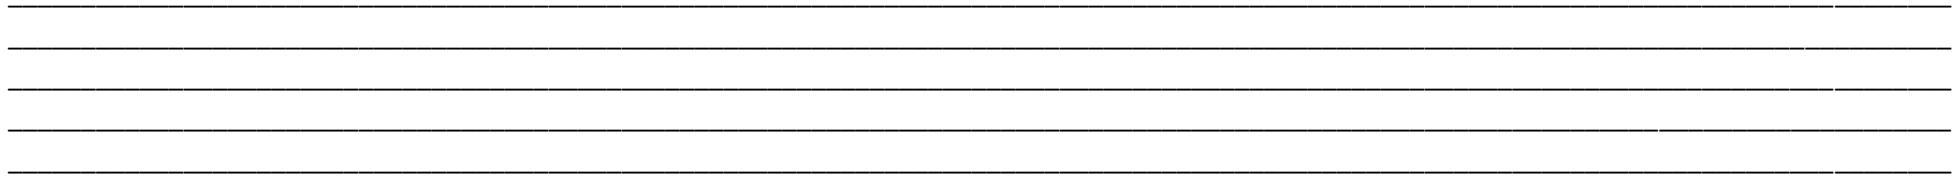

Remember that the G Key indicates that the second line is called SOL

A diagram of a musical staff with a G clef at the start. The notes are represented by open circles on the lines. The notes from left to right are: a note on the fourth line (labeled "Do"), an open circle on the third line (labeled "Re"), an open circle on the second line (labeled "Mi"), an open circle on the first line (labeled "Fa"), a black dot on the second line (labeled "Sol" with a box around it), an open circle on the third line (labeled "La"), an open circle on the fourth line (labeled "Si"), a black dot on the fifth line (labeled "Do"), and an open circle on the fourth line (labeled "Re").

Do Re Mi Fa Sol La Si Do Re

Write the notes on the staff

Write the name of the following notes
